Motion

In the Cloud Recording Pro area activate the Doorbell or Motion or both as needed.

Select Save and allow for up to 5 minutes for the feature to activate.

Cloud-Recording Pro requires additional 0.5 mbit/s upload bandwidth to the Internet per DoorBird IP Video Door Station.

A license for „Cloud Recording PRO“ runs for exactly one year after receipt and payment of the order. A cancellation or a refund of an active license is not possible. A new order is automatically sent to the e-mail address of the order a few days before expiration of the license. This e-mail contains a payment link. As soon as a payment is deposited, the license is renewed for another year. If no payment is made, the license expires automatically and no cancellation is needed.
