ENGINEERING EDITIONS FOR INTEGRATION PURPOSES
COMPATIBILITY OVERVIEW

DoorBird
Technology meets Design.

CALL BUTTONS	D2100E & D2100EA	D3100E	D1100E
Illuminated Call Button for DoorBird D21x	✅ **Connection options:** A. One call button connected to the port for one call button (yellow) of the main unit B. 2-18 call buttons connected to the Multi-Tenant Module "MTM18A" C. 2-56 call buttons connected to the Multi-Tenant Module "MTM56A"	☑ This combination is available through our customized service. Please contact us via e-mail: customized@doorbird.com	☑ This combination is available through our customized service. Please contact us via e-mail: customized@doorbird.com
Illuminated Call Button for DoorBird D11x **Illuminated stainless steel button for DoorBird D1101KH Classic**	❌ Not compatible	✅ **Connection options:** A. 1-2 call buttons connected to the port for call buttons (CB) of the main unit B. 2-18 call buttons connected to the Multi-Tenant Module "MTM18A" C. 2-56 call buttons connected to the Multi-Tenant Module "MTM56A"	✅ **Connection option:** 1-2 call buttons connected to the port for call buttons (CB) of the main unit
Illuminated stainless steel button for DoorBird D21x **Illuminated stainless steel call button with separate backlit nameplate for DoorBird D21x**	✅ **Connection options:** A. One call button connected to the port for one call button (yellow) of the main unit B. 2-18 call buttons connected to the Multi-Tenant Module "MTM18A" C. 2-56 call buttons connected to the Multi-Tenant Module "MTM56A"	☑ This combination is available through our customized service. Please contact us via e-mail: customized@doorbird.com	☑ This combination is available through our customized service. Please contact us via e-mail: customized@doorbird.com

SPARE PARTS	D2100E & D2100EA	D3100E	D1100E
Module Port Converter MPCOID21 for connecting a second input module on the D21x series	✅ **Connection option:** One Module Port Converter connected to the port for output modules (green) of the main unit	❌ Not compatible	❌ Not compatible

| SPARE PARTS	D2100E & D2100EA	D3100E	D1100E
Multi-Tenant Module MTM18A **Multi-Tenant Module MTM14E** **Multi-Tenant Module MTM56A**	✓ Connection option: One Multi-Tenant Module connected to the port for input modules (red) of the main unit **Only one Multi-Tenant module can be connected to the main unit.**	✓ Connection option: One Multi-Tenant Module connected to the port for add-on modules (COM) of the main unit **Not compatible with Touch Display Module 7", Display Module 3.5", Fingerprint or Keypad Modules** **Only one Multi-Tenant module can be connected to the main unit.**	✓ This combination is available through our customized service. Please contact us via e-mail: customized@doorbird.com
Fingerprint Reader Module 50	✓ Available combinations: A. One Fingerprint Reader Module connected to the port for input modules (red) for devices with one call button attached to the main unit B. One Fingerprint Reader Module connected to the port for output modules (green) with the Module Port Converter "MPCOID21" for devices with Multi-Tenant modules attached to the main unit	✓ Connection option: One Fingerprint Reader Module connected to the port for add-on modules (COM) of the main unit **Not compatible with Multi-Tenant Modules or Keypad-Modules**	✓ Connection option: One Fingerprint Reader Module connected to the port for add-on modules (COM) of the main unit **Not compatible with Multi-Tenant Modules or Keypad-Modules**
Keypad Module with 12 stainless steel keys	✓ Available combinations: A. One Keypad Module connected to the port for input modules (red) for devices with one call button attached to the main unit B. One Keypad Module connected to the port for output modules (green) with the Module Port Converter "MPCOID21" for devices with Multi-Tenant modules attached to the main unit	✓ Connection option: One Keypad Module connected to the port for add-on modules (COM) of the main unit **Not compatible with Multi-Tenant Modules, Fingerprint Reader Module 50, Touch Display Module 7" or other Keypads**	✓ Connection option: One Keypad Module connected to the port for add-on modules (COM) of the main unit **Not compatible with Multi-Tenant Modules, Fingerprint Reader Module 50 or other Keypads**
Keypad Module with 12 keys	✗ Not compatible	✓ Connection option: One Keypad Module connected to the port for add-on modules (COM) of the main unit **Not compatible with Multi-Tenant Modules, Fingerprint Reader Module 50, Touch Display Module 7" or other Keypads**	✓ Connection option: One Keypad Module connected to the port for add-on modules (COM) of the main unit **Not compatible with Multi-Tenant Modules, Fingerprint Reader Module 50 or other Keypads**
Keypad Module with 16 stainless steel keys for DoorBird D21DKx	✓ Connection option: One Keypad Module connected to the port for input modules (red) of the main unit **Can only be used in combination with a Display Module.**	✓ Connection option: One Keypad Module connected to the port for add-on modules (COM) of the main unit **Can only be used in combination with a Display Module. Not compatible with Touch Display Module 7". Can not be used with a single call button.**	✗ Not compatible
Display Module, Color, 3.5 inch, for DoorBird D21DKx	✓ Connection option: One Display Module connected to the port for output modules (green) of the main unit **Can only be used in combination with a Keypad Module with 16 keys.**	✓ Connection option: One Display Module connected to the USB port of the main unit **Can only be used in combination with a Keypad Module with 16 keys.**	✗ Not compatible

| SPARE PARTS	D2100E & D2100EA	D3100E	D1100E
Touch Display Module, Color, 7 inch, for DoorBird D31TDx	❌ Not compatible	Connection option: One Display Module connected to the USB port of the main unit **Construction via the customized service is recommended.** ✅ **Not compatible with Multi-Tenant Modules, Call Buttons, Touch Free Call Button, Keypad Modules and other Displays**	❌ Not compatible
Info Module for DoorBird D21x	✅ Connection option: One Info Module connected to the port for output modules (green) of the main unit	❌ Not compatible	❌ Not compatible
D2101TFV Touch Free Call Button Module	✅ Connection option: One Touch Free Call Button Module connected to the port for input modules (red) of the main unit	☑ This combination is available through our customized service. Please contact us via e-mail: customized@doorbird.com	☑ This combination is available through our customized service. Please contact us via e-mail: customized@doorbird.com
D21x Rectangular light push button	✅ Connection options: One call button connected to the port for one call button (yellow) of the main unit	❌ Not compatible	❌ Not compatible
D21x Round light push button	✅ Switches 1-24V AC/DC (1A). Power supply for LED (12-24 V AC/DC) is not provided via the door station and is not included in the scope of delivery	❌ Not compatible	❌ Not compatible
